

All in Your love

Yesterday, I opened another door  
Taking a path from You  
Today, I am flying  
Flying, under Your wing  
All in Your love

Tomorrow, I won't go missing  
I know my Shepherd and my King  
The peace You have given me  
Healing me, making me feel good  
All in Your love  
In Your love

You spoke to me and told me, put You first  
My Lord and my Savior  
You spoke to me and told me, know Your Word  
And know my salvation  
You give me Your love  
You give me Your armor  
All in Your love  
In Your love

I'm a child in a big, bad world  
I'm easily led, and I easily cry  
But the truth You have given me  
You son, Jesus died for me  
All in Your love  
In Your love

You spoke to me and told me, put You first  
My Lord and my Savior  
You spoke to me and told me, know Your Word  
And know my salvation  
You give me Your love  
You give me Your armor  
You give me Your strength  
You give me Your promise  
All are Your gifts  
All are Your honor  
And all in Your love  
In Your love  
All in Your love

All in Your love
