

Faith

Faith, sure of what we hope for
Faith in You
Faith, sure of what we hope for
Faith in You

Jesus, You're God
You died on the cross
My sins You've taken
You know my wrongs
The things that I've done
That's why You died
And I believe I'm in need
In need of Your saving
So, every day, I trust in You
'til heaven

Faith, sure of what we hope for
Faith in You
Faith, sure of what we hope for
Faith in You

Pressing in
Expectations high in our God Almighty
Cause You don't lie
Your word is true
I'm so glad You've shown it to me
I stick to You through everything
Through all my trials
There's better things in heaven above
Your Kingdom awaits

Faith, sure of what we hope for
Faith in You
Faith, sure of what we hope for
Faith in You

Faith, sure of what we hope for
Faith in You
Faith, sure of what we hope for
Faith in You
