

Narrow Gate

The love of this world won't satisfy
Only the love of Jesus
The things of this world will pass you by
Not the love of Jesus

You came to me
When I was broken
And You, You showed me
Your freeing grace
Now You teach me
Oh, now You hold me

The gate is narrow
It's only with You, Jesus
I can't go in alone
I need Your Spirit in me

You tell me
There's better things waiting
And You, You've promised me
Rewards so amazing
Oh, don't give up
Fight the good fight
And we're strong within
Oh, You're the strength within me

The gate is narrow
I walk in with Your Spirit
In me
Jesus, lead me
Feed me
To Your glory
Oh, Your glory
To Your glory
