

Rise with Me

Rise, rise, leave hate behind  
Rise, rise, with Me  
Rise, rise, leave unforgiveness  
Rise, rise with Me

Above it all with You, Jesus  
Here, my heart is joined with Yours  
Love never fails, love always wins  
Love lasts forever  
Oh, love lasts forever

Rise, rise, hold onto what you have  
Rise, rise, with Me  
Rise, rise, keep persevering  
Rise, rise with Me

Above it all with You, Jesus  
Here, my heart is joined with Yours  
Love never fails, love always wins  
Love lasts forever  
Oh, love lasts forever

It won't be long my child  
And we'll be together  
And you'll see My eyes of love

It won't be long my child  
And we'll be together  
And you'll see My eyes of love  
Yes, you'll see My eyes of love

Rise, rise, leave hate behind  
Rise, rise, with Me  
Rise, rise, leave unforgiveness  
Rise, rise with Me

Above it all with You, Jesus  
Here, my heart is joined with Yours  
Love never fails, love always wins  
Love lasts forever  
Oh, love lasts forever  
Oh, love lasts forever
