

Freedom

Freedom, my sins forgiven
Freedom, my sins forgiven

In Your boundless mercy, I've been privileged, born again
I'm in Your family, live with wonderful expectation
Cause Jesus rose from the dead
And God's reserved a priceless inheritance for me

Freedom, my sins forgiven
Freedom, my sins forgiven

No longer a slave to cruelty, I've been bought by You
You've taken me out of bondage, Satan's been judged
Jesus, I'm here now serving You
And I'm watching, looking, my Master's returning soon

Freedom, my sins forgiven
Freedom, my sins forgiven
Freedom, my sins forgiven
Freedom, my sins forgiven

Stay away from idols, my children
Stay away from idols, my children

Son of God returning soon
Looking for faith
We're dressed for service and well prepared
Our Master's returning soon, Lord
You're returning soon

Freedom
Freedom
My sins forgiven
Freedom, my sins forgiven
Freedom, my sins forgiven
Freedom, my sins forgiven
Freedom, my sins forgiven
Freedom
You're coming soon, Lord
Kingdom soon, Lord
Justice soon, Lord
Freedom
