

Praise Now

Praise now the bread of life  
Praise now that He came down  
Praise now the Father's Son  
Praise now the ransomed One

The wonder of the cross  
That You would die for me  
And take me out of Satan's hold  
And break the bonds of sin

The wonder of the cross  
That we could understand  
How great Your love to bear our sins  
And place them on Your lamb

Praise now the bread of life  
Praise now that He came down  
Praise now the Father's Son  
Praise now the ransomed One

The wonder of the cross  
That You would take my pain  
Heal my soul, make me whole  
A joy that will not fade

The wonder of the cross  
That you would take my heart  
Make it new, filled with You  
Never to depart

Praise now the bread of life  
Praise now that He came down  
Praise now the Father's Son  
Praise now the ransomed One

Believe in the bread of life  
Feed on His every Word  
He is the living water  
His will to be our lives

Praise now the bread of life  
Praise now that He came down

Praise now the Father's Son  
Praise now the ransomed One

The wonder of the cross  
That I will see Your face  
And look into Your eye of love  
The One who grant me grace

The wonder of the cross  
That I will see Your hands  
Pierced for me but now they wipe  
Every tear away

Praise now the bread of life  
Praise now that He came down  
Praise now the Father's Son  
Praise now the ransomed One

Praise now, the Holy One  
Praise now, the Holy One

Praise now the bread of life  
Praise now that He came down  
Praise now the Father's Son  
Praise now the ransomed One  
Praise now, the Holy One  
Our good Lord, the Holy One  
Our good Lord, the Holy One  
Our good Lord, the Holy One  
Our good Lord, the Holy One  
Our good Lord  
Our good Lord  
Ooh, praise now the Holy One
