

Wake O Sleeper

I'm waking up, been asleep for awhile  
And everything I need is You  
In You, I am Your baptized child  
And Your grace pours down on me

I'm in You, Jesus  
You're in me, Jesus  
Let me receive Your love  
I'm in You, Jesus  
You're in me, Jesus  
Let me receive Your love

Your extravagant gift, I accept  
Life, given to me through Your risen death  
And I will read Your Word to remember the truth  
So, no evil will behold me

I'm in You, Jesus  
You're in me, Jesus  
Let me receive Your love  
I'm in You, Jesus  
You're in me, Jesus  
Let me receive Your love

Ooh, Your gracious love  
Almighty Father, Your love  
Ooh, My Lord  
Almighty Father, Your love
