

Let's Praise the Lord

Let's praise the Lord
Come, let's praise the Lord
God has given His Son
And I, have everything I need

Let's praise the Lord
Come, let's praise the Lord
God has given His Son
And I, have everything I need

I don't walk alone anymore
My Father's not left me as an orphan
Jesus is with me night and day
Night and day

Let's praise the Lord
Come, let's praise the Lord
God has given His Son
And I, have everything I need

Let's praise the Lord
Come, let's praise the Lord
God has given His Son
And I, have everything I need

I don't walk alone anymore
My Father's not left me as an orphan
Jesus is with me night and day
Night and day

Let's praise the Lord
Come, let's praise the Lord
God has given His Son
And I, have everything I need

Let's praise the Lord
Come, let's praise the Lord
God has given His Son
And I, have everything I need

Yes, I, have everything I need
Yes, I have everything I need
