

Pass You to Everyone

Don't blend with everybody else  
There's something new  
There's something special for You  
He died  
To keep you alive  
A life of hope  
One we can't even imagine  
A heaven so bright and glorious

So bright and glorious

No tear will ever fall again  
No pain will ever be known  
No heart will ever be broken  
Free, in our King

Jesus, only goodness reigns  
Your life, like pouring rain  
New life, in my dead soul  
And You're willing to give me Your glory  
Now I'm free  
In Your glory  
I choose the things of You

La, la, la, la, la  
La, la, la, la, la  
La, la, la, la, la

In this life  
I want to give You to every person that I meet  
I know it's right  
I was dying before, and now I know Your glory  
And I'm set free  
And everything is now clear, so clear to me  
You've answered all my pain  
And no questions remain  
In You, my Lord  
So beautiful, Your heart is  
Jesus, You're complete  
And You're willing to give I all to me

La, la, la, la, la

La, la, la, la, la

And Jesus, You're willing to give it all to me

La, la, la, la, la

And You're willing to give it all to me

Thank you

My Jesus, Thank You

And You're willing to give Your life for me
