

## Follow the Shepherd – Lyrics

Follow the Shepherd, and we will be free  
From the lies, the pain, our dying bodies  
Free

He died for You  
He died for me  
He held our sins on the cross  
Believe

Believe that this will all end  
False god's are empty  
Nothing but death  
Look to this light  
Speak His name, Jesus  
Hold Him precious in your heart  
This life but for a moment then eternity

Follow the Shepherd  
We will never be in need  
Where evil roams through wicked lies  
Jesus, You never leave

Your Words are truth  
Our paths are bright  
And we will live forever in Your light  
Jesus Christ

Believe that this will never end  
False god's are empty  
Nothing but death  
Look to this light  
Speak His name, Jesus  
Hold Him precious in your heart  
This life but for a moment then eternity

Follow the Shepherd  
And we will be free  
Follow the Shepherd  
We will never be in need
