

Wells of Salvation

Messiah, You're welcome here

Messiah, You're welcome
You're welcome here
Messiah, You're welcome
You're welcome here

You alone can save us, Lord
You alone can heal us, Lord
Our praises are for You alone, our Lord

At Your feet, we worship
We worship, You here
Eternal, high, and glorious

We listen to Your warnings to live
Our hearts are turned to You
Blessed are those who trust in the Lord

The joy of the wells of Salvation
The joy of the wells of Salvation
The joy of the wells of Salvation, Jesus

The joy of the wells of Salvation
The joy of the wells of Salvation
The joy of the wells of Salvation, Jesus

Messiah, You're welcome
You're welcome here

Messiah, You're welcome here

Messiah, You're welcome
You're welcome here

Messiah, You're welcome here

Messiah, You're welcome
You're welcome here

Messiah, You're welcome
You're welcome

Here

Messiah, You're welcome here

The joy of the wells of Salvation

The joy of the wells of Salvation

The joy of the wells of Salvation

The joy of the wells of Salvation

Messiah, You're welcome here

The joy of the wells of Salvation

The joy of the wells of Salvation

The joy of the wells of Salvation

The joy of the wells of Salvation
