

No Matter What

Hope and pray every day
Love and peace come from our Lord
Faith and strength in Jesus
He loves us no matter what's in our lives

Ooh, O, no matter what we've done
No matter what we do
No matter what where we've been
No matter what we're going through
He loves you
Jesus loves you

Come by faith to forgiveness
Feel the joy of our salvation
Trust in the Lord when we are tested
Look to the heavens, the heavens above

Ooh, O, no matter what we've done
No matter what we do
No matter what where we've been
No matter what we're going through

No matter who we are
No matter how we feel
No matter where's our pain
No matter how we hurt
He loves you
Jesus loves you, no matter, no matter
Jesus loves you, yeah
Jesus loves you

Yeah, yeah
Yeah, yeah
Jesus loves you, ooh
Jesus, Jesus loves you
Jesus, Jesus, Jesus loves

Hope and pray every day
Love and peace come from our Lord
Faith and strength in Jesus
He loves us no matter what's in our lives
