

Words of Forgiveness

Words of forgiveness don't take revenge
Words of forgiveness humble a heart
Words of forgiveness breathe in life
Words of forgiveness calm a storm

Brave people
Loving people
Courageous people calm a storm

Returning good for bad
Returning joy for the sad
And there's always hope from above
Always hope from above
There's always hope from above
Always hope from above

Words of forgiveness don't ignore
Words of forgiveness don't bring fear
Words of forgiveness heal the soul
Words of forgiveness mend with love

Brave people
Loving people
Courageous people calm a storm

Returning good for bad
Returning joy for the sad
And there's always hope from above
Always hope from above
There's always hope from above
There's always hope from above

Brave people
Loving people
Courageous people calm a storm
Brave people
Loving people
Courageous people calm a storm
And there's always hope from above
