

This week's sermon:
GOTTA HAVE IT!
Exodus 20:15

Principles of Inequity and Equality

1. All things come from God who distributes as He wishes.
2. God commands generosity toward the poor.
3. Generosity is not to be coerced.
4. God expects human beings to work to gain goods and wealth.

Work and generosity should replace stealing.

1. Collectivism is nixed in favor of radical generosity.
2. Before God, we are all beggars who should be content and generous.

Digging Deeper into the Message

1. What is stewardship?
2. How does a Biblical view of stewardship effect our view of ownership? Psalm 24:1, Gen. 2:15, Deut. 8:17-18, Luke 19:12-26
3. Read Luke 19:1-10. What is the relationship between a changed heart and generosity?
4. Read Phil 4:11-13 & Hebrews 13:5. What is the secret to contentment?
