

## **This Week's Sermon**

### **HOLY MACKEREL? OR JUST FISH?**

**Luke 5:1–11**

Two glorious truths displayed in this fishing event.

1. God wants all men to encounter the holiness of Jesus.
2. God makes co-workers of those He calls to His holiness.

Discussion questions:

- Why does encountering the holiness of God cause fear?
- How does the understanding of God's holiness affect the way you think about your salvation?
- Read Ephesians 2:8-10. What does it mean when it calls Christians "God's workmanship"?
