Luke 6:1-11

Nate Adams

Observation:

The Son of Man is Lord of the Sabbath.

Community Group Questions:

Ice Breaker- Pull out your phone and pick the emoji that best represents you today. Tell the group why.

1. Do you observe a Sabbath? What does it look like?
If not, why don't you and how could you change that?
2. What are some 'extra' rules that you have lived by or experienced? These are rules added by a family or church that were expected to show you were righteous.
Were they good things gone wrong or bad things altogether?
3. How do you address someone who is 'religious'?
These are people who follow God (or believe they follow God) who think they gain status by outward behaviors.
