

Jesus is Our Everything

(I'll do a summary overview of the passage)

1-8 Abraham and the Call of Promise

9-16 Joseph and the Pattern of Rejection

17-43 Moses, the Burning Bush, and Israel's Rebellion

44-50 The Tabernacle, Temple, and God's True Dwelling

51-53 The Indictment of the Council

(These are the 3 teaching/application points...I hope!!)

Settle Your Mind on Jesus as Your Ultimate Deliverer and Prophet

Questions:

In what areas of my life am I tempted to push back against Jesus' authority, subtly asking, "Who made You ruler over my choices?"

Have I fully trusted Jesus as my sole Deliverer, or am I relying on my own self-sufficiency, good deeds, or status to secure my standing before God?

Fix Your Eyes on Jesus Rather Than Physical Symbols or Religious Structures

Questions:

Is my relationship with Jesus anchored in dynamic, daily fellowship with Him, or have I reduced my faith to going through the motions of church attendance and religious habit?

Am I clinging to personal preferences, religious traditions, or comfortable settings more than I am clinging to Jesus Himself?

Surrender Your Heart to the Holy Spirit's Testimony About Jesus

Questions:

Where is the Holy Spirit currently prompting me to draw closer to Jesus, confess a hidden sin, or forgive someone, and how am I responding?

Do I actively cultivate a sensitive, soft heart toward Christ's voice, or am I allowing busyness, pride, or worldly distractions to dull my spiritual hearing?
