STAGES OF SERVING (SLIDE 2)

The slide is titled "Stages of Serving." in white text on a brown background. Below the title, there are four numbered points, each with a bolded stage name and a description:

- 1. Response:** When we experience salvation, it is our reasonable response to serve Him.
- 2. Reach:** Personal growth. This is when we serve motivated by what God is doing in us.
- 3. Resilience:** When we don't feel like serving or things in our lives begin to plateau. This is when we have to not grow weary in well doing.
- 4. Rhythm:** We move past feeling or personal growth and resolve that all our life is an act of service.

Point 3: Growing
