News & Announcements

EEM THANK YOU

A Thank You from EEM--A non profit in Kamaynske, Ukraine reached out to us to say "thank you for the literature" This group has been sharing EEM Bibles and Bible based materials to hundreds of children and adults in their region of Ukraine. Most of the towns and villages they visit have no churches. Last year they baptized 16 people and this year they have planted three churches. They've actually developed teams to teach children in several villages of their region. Here is what they wrote to us:

"We are very grateful to you for your work - this is a great contribution to the expansion of the Kingdom of God on earth! by the great mercy of God, the doors of schools were opened to us in then villages. We reached children and teachers, took literature for school libraries, as well as for their families. Children read Bibles...so we especially thank you for your support."

*I tell you this story to let you know that **you** are part of this story and countless others like it! Thank you for your gracious kindness!!!*
