## Prayers

**Dennis Zdunek** returned to Presbyterian Downtown this week because he was not able to eat or drink. Please continue to pray that the doctors can help him to get the hydration and nourishment he needs to get well.

**Mylli Zdunek** continues to struggle with her shingles, and her outbreaks are tied to stress, so they get worse when Dennis is doing poorly. Mylli is exhausted, and she needs prayers for rest and healing.

**Sharlene Parr**, daughter of *Ira Parr*, has been in the hospital for several weeks with low blood pressure. Please pray for Sharlene, as well as the doctors administering to her that they can correct this issue.

**Terry Padilla** injured her back which then caused her to fall on her bad knee. She covets your prayers of healing.

*Tawney Weatherford* is requesting prayers for her brother, **Bryce** and his wife **Rylee**. Both have been deployed to Africa, but have been stationed in separate countries. Bryce is in Kenya and Rylee is in Djibouti. Please pray for this couple over the next year.
