  - The Gospel of Matthew

“The Gospel of Matthew presents Jesus as Israel’s Messiah. The account alternates between Jesus’ activities of healing and casting out demons, and major blocks of his teaching, including the Sermon on the Mount, the Parables of the Kingdom, and the Olivet Discourse. The Sermon on the Mount includes the Beatitudes and the Lord’s Prayer. The book closes with the Great Commission. A recurring theme is the conflict between Jesus and the religious leaders.”
