

Combat Skills Refresher

Soldiers on the modern battlefield are commonly working outside of their MOS (Military Occupational Specialty) and require a refresher on basic warrior skills. The fresher course is designed to teach/reinforce the knowledge, skills, and abilities (KSAs) needed when operating in a high-threat or combat environment as a singleton or in small teams. This course enhances the basic skills to shoot, move, communicate and medicate.

2 Corinthians 10:4

For the weapons of our warfare are not of the flesh but have divine power to destroy strongholds.
