PRAYER: Gracious God, thank you for our journey. Thank you for being with us across every mile, through every valley, around every difficulty, despite every detour. You will guide us safely to exactly where we're supposed to be. You are our confidence. In Jesus' name, we pray. Amen.

ICEBREAKER: Name your favorite traveling songs (one old and one new) and share with your group why you like to listen to those songs when you travel.

INTRODUCTION: The psalms have just as much relevance today as they did for the ancient Hebrews: this psalm is no exception. Our life's journey has many perils—depression, doubt, discouragement, despair, loss, suffering, and anxiety meet us on the road. However, we can find comfort in the rich reality that we serve a great and sovereign God. God is in control. God is in charge. God is still on the throne. As this psalm illustrates, we should lift our eyes to God and trust in God's perfect plan for our lives. While God's plan does not guarantee an easy journey, God does promise to be with us all the way. This is the song we sing on the road.

SCRIPTURE: Read Psalms 121 (NIV)

DISCUSSION:

- 1. What stood out in today's message? What was your favorite part of the message today? What's one thing you learned?
- 2. Psalm 121 can be divided into 4 stanzas each containing two verses, 1-2, 3-4, 5-6, 7-8. If you could give a title to each stanza that would summarize the main thought of each, what would they be?
- 3. Psalm 121 is called a "song of ascents" that was sung by Hebrew pilgrims, worshipers of God, as they traveled to Jerusalem making a pilgrimage to be in God's visible presence (the Shekinah Glory) and to worship. All of us are likewise on a journey in life. How do the following verses support this thought? Gen. 12:1-3, 35:27; Heb. 11:8-10, 11:13-16, 12:1-2, 22).
- 4. The worshiper in this song declared his confidence and trust in the Lord as his helper in v. 2. Considering the reasons presented in this verse and in the verses that follow, what is it that makes this decision of trust the only right response? List and then share your reasons.
- 5. How do the following figures of speech help you in understanding the magnitude of the Lord's care and help for you? Helper. Keeper. Defender. Preserver.

 - 6. If you were to write the central message or key idea presented in Psalm 121, what would it be? What difference does that message make in your life as a person of faith?

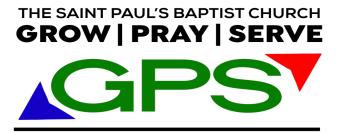

CHALLENGE: Create your own list of road songs from a faith perspective. What songs give or can give you comfort and confidence as you continue your journey of faith?
