Regarding Spiritual Gifts

- Relationship comes first
- The Talent Trap
- A Holy Assignment

***Ask the Holy Spirit to use you today for
the glory of Jesus.***

Can you think of a time you felt the Holy Spirit was moving you to obey? What happened?

Or...

Is there currently something you think the Holy Spirit may want you to do? What would obedience look like?

Or...

What's something you would love to partner with God to do?
