October 15th

The background is a detailed, monochromatic illustration in shades of brown and black. It depicts a turbulent sea with large, white-capped waves in the foreground. In the middle ground, a range of rugged mountains or hills stretches across the horizon. On the right side of this range, a large, multi-towered castle or fortress sits atop a hill, with flags flying from its towers. The sky is filled with large, billowing clouds, some of which appear to be illuminated from below, creating a dramatic, high-contrast scene.

CHARACTER OVER KINGDOM

A photograph of a formal garden. In the foreground, there is a complex topiary maze made of green boxwood hedges, set in a bed of reddish-brown mulch. Behind the maze, a large bush of pink roses is in full bloom. In the background, a building with light-colored stone or concrete walls is visible, partially covered in ivy. A window with white trim is visible on the right side of the building. A blue plastic crate sits on a small green mat near the building's base. The scene is brightly lit, suggesting a sunny day.
