In just a few months, a beautiful church has risen from what was once a muddy hole in the ground. The siding is in place, the windows are installed, and the steeple—our beloved landmark—now shines with striking copper-like roof tiles, rising once again as a beacon over downtown Duvall.

Hebrews
13:3
Continue to
remember
those in
prison as if
you were
together
with them in
prison, and
those who
are
mistreated
as if you
yourselves
were
suffering.

WORLD WATCH LIST 2025

ABOUT THE LIST

The World Watch List is compiled by Open Doors' analysts using real-world data from experts on the ground in 150 countries. Persecution in each country is recorded using a points system which tracks violence and pressure. This measures the number and severity of violent incidents against Christians and the degree of pressure exerted against the practice of their faith in 5 spheres of life.

PERSECUTION LEVELS

- **HIGH**
41-60 points
- **VERY HIGH**
61-80 points
- **EXTREME**
81-100 points

Every country on the list is ranked as having very high or extreme levels of persecution, showing the intensity of persecution against Christians.

Maximum score for each is 16.7, maximum total of 100 when combined.
Each country's ranking is determined by its total score out of 100, giving an indication of severity of persecution.
