

# Shattered

what God is doing to the Church

## This Week's Message: *Identity Crisis*

### Key Takeaways:

***False Identity is anything other than the Knowledge of God - II Cor. 10:3-5***

**The world tried to put a false identity on Jesus, and they will try to do the same to you.**

- Matthew 16:15-17

**SATAN'S GOAL:** *To rob you of your God-given identity.*

**JESUS'S GOAL:** *To shatter false identities (lies) and reconcile us to God (Himself).*

**God gave us the Law to reveal our brokenness.** We were never able to earn our redemption and we never will be. Christ is our only source of identity. Anything else we trust in falls woefully short. - Ephesians 2:11-22; Galatians 3:19-29; Ephesians 4:11-24

***God will lovingly take a sledgehammer to our false identities. He's not angry at us. He wants to set us free. He want us to know our true identity in Him.***

**Would you like to see who Christ says you are?**

### Questions to Think On & Discuss:

(1) What false identities (lies) have you believed in your life? How have these caused you stay stuck in cycles of searching for relief rather than embracing Christ's new life?

(2) In what ways have you resisted God's shattering in your life? How have you attempted to make yourself worthy to God?

(3) What is God revealing to you about the true nature of His love?

## This Week's Challenge

Set aside 10 minutes to be alone. Turn off all distractions, and meditate on this thought. God knew every sin you would ever commit and still chose to die for you. Soak in His love for just a few moments. Let His words rewrite the identity you have spoken over yourself.
