

Shattered

what God is doing to the Church

This Week's Message: *Kingdom Fervency*

Key Takeaways:

Colossians 1:12 - Giving thanks to the Father, who has qualified you to share in the inheritance of the saints in light.

(1) Allow God to qualify you.

- **God qualifies us through the process of the Gospel.**
 - *CONNECT - First, with Christ as our Savior. Second, through baptism. Third, through membership to a church.*
 - *GROW - Change is required to grow. The journey with Christ is never meant to be stagnant. He is always calling us to our next step.*
 - *SERVE - God's Love in our heart will always move us to action both in the church and in our community.*
- **This process leads us to SHARE.**

(2) Process with yourself - Let God SHARE His Gospel in your soul here and now.

- *The abundant life God has promised is not just for Heaven one day, but can be realized now on earth.*

(3) Process with others - We share the Gospel by bringing Heaven to Earth.

- *God qualifies us to share His hope, grace, and love to a broken world.*

Questions to Think On & Discuss:

(1) Do you feel qualified to do what God has called you to do? How have you answered that question through the years? How does the Gospel answer that question?

(2) What is your next step? Maybe you need to Connect to your church in a whole new way. Perhaps God is calling you to grow. Or maybe it's your time to serve. Ask God where He is leading you.

(3) How has someone sharing their journey with God impact your life?

This Week's Challenge

Spend some moments with God in prayer. Ask Him to bring to your mind the ways the Gospel has changed your life. Write down three of them, and then commit to share those moments with someone. We promise this practice will do so much for your soul.
