REFLECTION QUESTIONS:

1. When you are going through various trials, tests, and sufferings; what are ways that you have reverted back to your "old ways" instead of intentionally seeking out God's Word to show you the "new way" that God desires you to be faithful with?
2. Knowing that God's discipline in our lives is for the purpose of teaching us more about obedience; how have your recent trials resulted in a greater obedience to God's Word?
3. How does it make you feel that God reserves the right to test you however He sees fit so that what is truly in your heart will be revealed and exposed? Does this bring you more discouragement or encouragement? Explain.
