Reflection Questions:

1. Have I placed unfair expectations on someone/something to satisfy me in ways that only God can?
2. Am I serving someone/something in a way that it is compromising my obedience and faithfulness to God?
3. What people/things in my life am I leaning so heavily on that if they were suddenly removed I would fall in fear, anxiety, disobedience to God, hopelessness, confusion, lostness, or even anger towards God?
4. What ways am I valuing created things more than God as the Creator?
