### Reflection Questions

1. How have you experienced the humiliating and humbling effect of sin in a way that it brought you to true repentance and receiving God's forgiveness through the atoning blood of Jesus?

2. What ways have you experienced the vengeful effect of sin in this life, where you paid dearly for being seduced by sinful temptation? How has that experience resulted in a closer walk with Jesus and greater faithfulness to His instructions?

3. Have you helplessly watched others be seduced by some of the same temptations you were seduced by? How have you acted as a "watchman" for others by doing what you can do warn them of the dangers of those temptations?

4. Are you, for the first time, aware that your life has been stained by the seduction of sin in this life? Put your faith and trust in Jesus Christ who alone can wash you clean from all the stains of sin in this life! He is your only hope in life and death. Read below "How to become a Christian" and speak with a prayer partner after service so that someone can give you the assurance of how you can receive God's forgiveness of all your sins.
