Reflection Questions

1. What area in your life do you desire for your opinion and influence to matter more? Why?

2. How has God recently convicted you of areas of selfishness in your life? What do you think kept you from noticing it before?
3. What are ways that you have been directly blessed by the selflessness of others? What would it look like to copy the example that was modeled to you?
4. Do you want God's forgiveness of all your selfish ways? Read the "how to become a Christian" section below and talk to a prayer partner after service. We want you to know that you have eternal life in heaven if you were to die tonight.
