#### Questions for Personal or Group Consideration

1. How does the idea of being a witness of Jesus change how we will speak to non-believers?
2. How do followers of Jesus today add barriers to sharing the good news about Jesus?
3. How can we share an uncompromised gospel message in a culturally sensitive manner?
4. How does anchoring our motivation in the heart of God, rather than from a command, change our sense of call to the mission?
