### Discussion

#### Read Psalm 8

Discuss times in your life when you were filled with wonder at God while observing something in His created world.

Verse 2 says God shows strength through babies in the face of His enemies. Share about a time God has given you strength in the face of a difficult situation.

How does it encourage you to know that the God who created our infinitely vast universe cares for you?

God created us to govern his creation. How should we use that privilege?

Each person in the room share something you want to praise God about today.
