

Romans 10:11 For the Scripture says,  
"Whoever believes in Him will not be  
DISAPPOINTED."

God  
is  
Enough!

God + Nothing=Enough

When you have God, you have all you need. He is enough. He is all-sufficient and all-proficient for every single minute of every single day and every single need of your life. I repeat: When you have God, you have all you need.

If you never get any of the things that you feel that you need or want in life, it is OK and you will be OK because God is enough.

God is infinite- God is without limit of any kind except those limits that are self-imposed. (i.e He will not sin, He will not fail)

Psalm 147:5 Great is our Lord and mighty in power; his understanding has no limit.

Psalm 40:5 Many, O Lord my God, are the wonders you have done. The things you planned for us no one can recount to you; were I to speak and tell of them, they would be too many to declare.

1 Kings 8:27 "But will God really dwell on earth?  
The heavens, even the highest heaven, cannot  
contain you. How much less this temple I have  
built!

This is a consistent theme in Scripture: what God is, you can't count it, you can't measure it, you can't contain it, you can only scratch the surface when you try to explain it. – there is just no limit to Him!

His Power is infinite: So theologically we say:  
He is omnipotent. Almighty!

His presence is infinite: So theologically we  
say: He is omnipresent. Everywhere present!

His knowledge is infinite: So theologically we say: He is omniscient. He knows everything!

His control of everything is infinite: So theologically we say: He is sovereign. He is in control!

His existence is infinite: So theologically we say: He is eternal. He has always been and always will be!

Whatever you could possibly ever truly need: God is Enough! You need turn nowhere else, you need turn to no one else, You need turn to nothing else.

God plus \_\_\_\_\_ is enough.

The three big enemies of your Christian life:

- The World- the world system
- The Flesh- Your own evil heart
- The Devil- the evil one

Colossians 3:4 When Christ, who is your life, appears, then you also will appear with him in glory.

Philippians 1:21 For to me, to live is Christ and to die is gain.

Galatians 2:20 I have been crucified with Christ and I no longer live, but Christ lives in me. The life I live in the body, I live by faith in the Son of God, who loved me and gave himself for me.

Not God “plus something(s) else” is enough

When you say God plus something else...what ever you put after the “plus” is what we are going to call “**an idol of the heart.**”

An idol is something that tries to take the place of God or seeks to share being God with God.

God “plus” something(s) else, no matter how good that “something(s)” else might appear to be, produces an idol in your heart.

God plus what I perceive to be a really  
good and fulfilling relationship with my  
mate is enough

God plus my children being ok and loving  
and respecting me and doing well in  
life...is enough

God plus good friends or people in general who respect me or at least keep me from being lonely is enough

God plus a really good and peaceful relationship with my parents is enough

God plus enough money is enough

God plus enough success is enough

God plus good health is enough

God plus the right politicians elected  
and running the country is enough.

God plus the material things I want is  
enough

God plus being treated fairly by my  
boss or others is enough

God plus me (or my kids) getting  
married is enough

God plus the person who has died  
that I want back so much is enough

It will never be enough- only God is enough.

If I never get any of those things I think that I need or want in life, it is OK, and I will be OK, because God is enough

All idols must go! If they don't go - you cannot be at peace with God, or peace with others or peace with yourself. Idols always ultimately produce turmoil

Matthew 6:33 But seek first his kingdom  
and his righteousness, and all these  
things will be added unto you!

Psalm 42:5 Why are you downcast, O my soul? Why so disturbed within me? Put your hope in God, for I will yet praise him, my Savior and my God.

Do not let yourself tell you how to  
think, you tell yourself how to think
