Part 5 of Names of God

[Watch Sermon](#) | [Sermon Notes](#)

Jehovah Rohi - A Shepherd who takes full responsibility for feeding, leading, protecting, and preserving His people.

1. He Feeds *(Psalm 23:1-2; Genesis 47:11-12)*

Shepherds make sure their people are sustained.

Discuss:

- *What are you currently allowing to shepherd you?*
- *Is there anywhere right now where God is slowing you, pausing you, redirecting you? What does this look like for you?*

2. He Leads *(Psalm 23:2-3; Genesis 31:3)*

Our Shepherd doesn't just feed us, He guides and leads us.

Discuss:

- *What do you need direction or guidance on in your current season?*

* Leaders write these down and pray over them this week.

3. He Protects *(Psalm 23:4; Genesis 32:6-7)*

The shepherd's rod pushes and pulls. Protection doesn't always feel gentle. Sometimes it feels like pressure. Sometimes it feels like resistance.

Discuss:

- *Are you in a season where God is pushing you toward something right now? Or is He pulling you away from something?*

4. He Preserves

Jesus' blood speaks of mercy, redemption, and covering. Your Shepherd doesn't just guide you. He laid down His life for you.

Discuss:

- *How did this message shift your view of God as your Shepherd?*
