[Watch Sermon](#) | [Sermon Notes](#)

Pastor Chaz started a new series, The Goal of Gathering.

1. The Call of Family - Matthew 16:18, 1 Corinthians 1:9, Ephesians 2:19

Discuss

- *What does it mean to you personally to be “called into the fellowship of Jesus Christ”?*
- *How might seeing yourself as a member of God's household (rather than just an attendee at church) change how you relate to others in the church?*

2. The Commitment of Family - Acts 2:42-47

Discuss

- *Which of the early church's practices (teaching, fellowship, breaking bread, prayer) do you find most challenging or most meaningful—and why?*
- *In what ways can we grow in sharing life together beyond Sunday services?*

3. The Care of Family - Philippians 4:14-15

Discuss

- *How can we better notice and respond to the “troubles” our spiritual family members are going through?*
- *What does genuine partnership in ministry look like today—and are we personally engaging in it?*

4. Conduct in the Family - 1 Timothy 3:15

Discuss

- *Why do you think Paul emphasizes “how people must conduct themselves” in the household of God?*
- *How does our individual behavior reflect (or distort) the truth the church is meant to uphold?*
