### Wise Wealth

#### 1. Perspective on Wealth

*Discuss:*

- *What does diligence look like in your current season of life, and how might God use it to bring provision?*
- *Why do you think Proverbs emphasizes contentment as part of a wise perspective on wealth?*
- *How can diligence and hard work reflect godly wisdom, and where is the line between diligence and striving?*
- *1 Timothy 6:17–19 calls the wealthy to generosity and humility. How can we live out generosity even if we don't feel "rich"?*

#### 2. Problems with Wealth

*Discuss:*

- *How can wealth subtly lead to pride or self-reliance, and what helps guard against that?*
- *Jesus says, "Where your treasure is, there your heart will be also." What does your spending reveal about what you value most?*
- *How can we guard our hearts against greed and the temptation to find identity or security in wealth?*

#### 3. Practices of Wealth

*Discuss:*

- *What does it look like to "steward with margin"? How can we create margin—financially, emotionally, and spiritually—in a culture that encourages excess?*
- *How does honoring God with our firstfruits (Proverbs 3:9–10) affect our trust in Him as provider?*
- *How does giving with eternity in mind reshape our approach to money and possessions?*
