

## Big Question

**Question - Who is God?**

**Answer - God is our Creator and the King of everything.**

## Bible Time

Adam and Eve's family grew. They had children and grandchildren, and their families grew until many people were in the world. But all those people were like Adam and Eve—they sinned against God. God is good and loving. He wanted people to have a right relationship with Him, but the people did not want to live under God's rule.

God was sad that He had made people. Because people's hearts were so sinful, God had to judge the people for their sin. But one man was not like all the other people. Noah was a righteous man; he wanted to follow God. So God decided to save Noah and his family from this punishment.
