

**Your word is a lamp for my feet
and a light on my path.**

Psalm 119:105

Read 2 Timothy 3:12-17

**What does it mean that the Bible is God-breathed or inspired by God
in verse 16?**

**Though different people wrote different parts of the Bible, God
guided each one of them through the Holy Spirit to say exactly what
He wanted to be said. So it is God's Word and we can trust what He
has said because He is always truthful and does not lie!**

**What do these verses say the Bible (God's Word) is able to help us
with?**

**It is able to help us in teaching us the truth, correcting our mistakes,
training us to do what is right, to teach us how to be saved by
believing in Jesus, and it can help us to be completely prepared to do
every good thing!**

Prayer Time

**Thank God for giving us His Word to guide and teach us everything
we need to know about Him! Ask Him to help you to be faithful to all
He has told us to do!**
