

Big Question

Question - Why do we need to be saved?

Answer - People are sinful and cannot save themselves.

Bible Time

Three months after they left Egypt, the Israelites came to Mount Sinai. Moses went up the mountain, and God spoke to him there. He said, "You have seen what I did to the Egyptians and how I have cared for you. If you carefully listen to Me and keep the covenant I will give you, then you will be My own special people."

Moses went back to the people and shared what God said. The people said, "We will do whatever the Lord asks us to do." So, Moses went back up the mountain to talk to God.
