

Big Question

Question - Why does sin separate us from God?

Answer - Because God is holy, sin has broken our relationship with God.

Bible Time

After the Israelites crossed the Red Sea, God led the people on a journey through the wilderness. The people traveled for three days with nothing to drink. Then they found water but could not drink it because it was bitter. The people grumbled and complained to Moses. Moses asked the Lord for help, and the Lord showed him a tree. Moses threw the tree in the water, and the water miraculously became clean and good to drink.

A few weeks later, God's people were grumbling again. They said, "If only we had died in Egypt! We had all the meat and bread we wanted there, but you brought us out here where we have nothing to eat! We will die of hunger!" Continue reading the verses below to find out what happens next!
