

Big Question

Question - Is Jesus God or a human?

Answer - As the Son of God, Jesus is both fully God and fully human.

Bible Time

Jesus traveled home to the town of Capernaum. When the people in the town heard that Jesus was there, they gathered at a house to hear Him teach. Pharisees and other teachers of the law had traveled from villages all over Galilee and Judea. Some even came from Jerusalem to hear Jesus. So many people came that they stood in the doorway, and there was no more room for anyone else.

Four men came to the house. They were carrying their friend on a mat because he could not walk. They wanted Jesus to heal him, but they could not get through the crowd. So the men carried their friend up to the roof. They took off part of the roof above Jesus. Then they lowered their friend so that he was right in front of Jesus!

Mark 2:1-13
