

Big Question

Question - Does God keep His promises?

Answer - Yes, God always keeps His promises because He is faithful.

Bible Time

Abram was a descendant of Noah. He started a journey with his wife, Sarai; his father, Terah; and his nephew Lot to the land of Canaan. But on the way there, they decided to settle in the city of Haran instead.

God spoke to Abram. He said, "Go from your land and your family to a place I will show you. I will bless you and make you into a great nation, and the whole world will be blessed through you." Abram went, just as God told him. Sarai and Lot went with him. God led Abram to the land of Canaan. God said, "This is the land I will give to your children." So Abram built an altar to the Lord there.
