

## Big Question

**Question - How can we be saved?**

**Answer - We are only saved through faith in Jesus.**

## Bible Time

In the book of Hebrews, we find a list of people who lived by faith. What is faith? Faith is being sure that what we hope for will actually happen. Faith is obeying God because we trust Him. By faith, we believe that God created everything from nothing, just by speaking!

Many people in the Bible had faith, and this pleased God. Abel had faith when he gave an offering to God, and God accepted his offering. We must have faith in order to please God because by faith we believe that He exists and that He rewards those who trust in Him.
