

## Big Question

**Question - Who is God?**

**Answer - God is our Creator and the King of everything.**

## Bible Time

After the great flood, God told Noah and his sons to grow their families and fill the earth. Noah's sons and their wives had children, and all their families grew. Over time, the people traveled through a valley and decided to live there.

At this time, everyone in the world spoke the same language. The people said, "We don't want to be scattered all over the earth. Let's build a city with a tower so big that it touches the sky. The tower will make us famous! Then we can stay here together instead of spreading out over the earth." Let's read more and see what God thinks of their plan.
