

Big Question

Question - What makes people special?

Answer - People are special because we are made in God's image, as male and female, to know Him.

Bible Time

King David wrote a psalm, or song, to the Lord. He praised God for many things.

David said God knows every word we speak before we say it. He also wrote that no matter where we are God is always present and with us. He said God created each and every one of us down to the smallest of details.

David finished his song with a prayer, asking God to help him to see the areas of his life where he was doing wrong and to lead him on the right path forever instead.

Talk It Out

Is there anyone who knows every single thing about you?

How can knowing that God is always with us and that He knows everything about us, help in our day to day life?

Why does every person matter to God?

Should every person matter to us? Why?

If every person matters, how should we treat each person? (Even those who treat us badly)

Pray About It

Thank God for creating each and every person uniquely different!

Ask God to help us love every person the way He wants us too, because everyone matters!
