

## Big Question

**Question - Who is in control of everything?**

**Answer - God is in control of everything in heaven and on earth. Nothing is outside God's good plan**

## Bible Time

Job was a good man who worshiped God and turned away from evil. He had many children, servants, and animals. One day, God's enemy, Satan, came to God. God said, "Have you seen Job? He is a good man who loves Me and turns away from evil."

Satan said, "Job only worships You because of how much You have blessed him! If You take away all You have given him, he won't worship You anymore." God gave Satan permission to cause suffering in Job's life.

Satan sent men to take away Job's oxen and camels. He sent fire from heaven that killed Job's sheep. Job's children and servants died as well. Job lost everything in one day. Job was very sad, but he still worshiped God.
