

Lyric Sheet for Sunday, June 7th 2020

Mighty To Save

Everyone needs compassion
 Love that's never failing
 Let mercy fall on me
 Everyone needs forgiveness
 The kindness of a Savior
 The hope of nations

Savior, He can move the mountains
 My God is mighty to save
 He is mighty to save
 Forever, author of salvation
 He rose and conquered the grave
 Jesus conquered the grave

Take me as you find me
 All my fears and failures, fill my life again
 I give my life to follow
 Everything I believe in
 Now I surrender, yes I surrender

Savior, He can move the mountains
 My God is mighty to save
 He is mighty to save
 Forever, author of salvation
 He rose and conquered the grave
 Jesus conquered the grave

Shine your light and let the whole world see
 We're singing, for the glory of the risen King,
 Jesus,
 Shine your light and let the whole world see
 We're singing, for the glory of the risen King

Savior, He can move the mountains
 My God is mighty to save
 He is mighty save
 Forever, author of salvation
 He rose and conquered the grave
 Jesus conquered the grave

(Repeat)

Confidence

I'm not a warrior, I'm too afraid to lose
 I feel unqualified for what
 you're calling me to
 But Lord with your strength
 I've got no excuse
 'Cause broken people are
 exactly who you use

(Chorus:)
 So give me faith like
 Daniel in the lion's den
 Give me hope like
 Moses in the wilderness
 Give me a heart like David,
 Lord be my defense
 So I can face my giants with confidence

You took a shepherd boy
 and made him a King
 So I'm gonna trust you
 and give you everything
 I'll be a conquerer
 'Cause you fight for me
 I'll be a champion claiming your victory

(Chorus)

I'm gonna sing and shout
 and shake the walls
 I won't stop until I see 'em fall
 Gonna stand up,
 step out when you call
 Jesus

(Chorus x2)

God Is

When all you see is here and now
 When everything is crumbling,
 falling to the ground
 This is just a moment, this is not forever
 I know it seems impossible
 when all your hope is gone

(Chorus:)
 God is, God is,
 Greater than the fear your facing
 Greater than the storm that's raging
 God is, God is,
 With you when you cry, so cry out His name
 'Cause God is greater than the pain

He knows the trials His children face
 He knows the tears that fall
 that we all have to taste
 But don't you dare let go now,
 Don't let the candle blow out.
 His love is strong, so just hold on
 'Cause He is with you through it all

(Chorus)

He is mighty, more than able
 To rescue and restore the ones He loves
 He's a Refuge and a Savior, a Savior

(Chorus:)

God is, God is,
 Greater than the fear your facing
 Greater than the storm that's raging
 God is, God is,
 With you when you cry, so cry out His name
 'Cause God is greater than the pain

God is greater than the pain

God is greater than my pain

Word of God Speak

I'm finding myself at a loss for words
 And the funny thing is it's okay
 The last thing I need is to be heard
 But to hear what You would say

Word of God speak
 Would You pour down like rain
 Washing my eyes to see Your majesty
 To be still and know
 That You're in this place
 Please let me stay and rest
 In Your holiness
 Word of God speak

I'm finding myself in the midst of You
 Beyond the music, beyond the noise
 All that I need is to be with You
 And in the quiet hear Your voice

Word of God speak
 Would You pour down like rain
 Washing my eyes to see Your majesty
 To be still and know
 That You're in this place
 Please let me stay and rest
 In Your holiness

Word of God speak
 Would You pour down like rain
 Washing my eyes to see Your majesty
 To be still and know
 That You're in this place
 Please let me stay and rest
 In Your holiness

I'm finding myself at a loss for words
 And the funny thing is it's okay
