

Big Question

Question - Why does sin separate us from God?

Answer - Because God is holy, sin has broken our relationship with God.

Bible Time

When Pharaoh let the Israelites go, the Lord led them out of Egypt. He went ahead of them in a pillar of cloud during the day and in a pillar of fire at night. The pillar stayed right in front of the people so they knew exactly where God wanted them to go.

God led them away from the Philistines, because He knew the people were not yet ready for war. They were traveling past the edge of the Red Sea when the Lord spoke to Moses: "Turn back and camp in front of the sea. Pharaoh will think you are confused and trapped, so he will pursue you. Then I will receive glory when people see what I do to Pharaoh and his army."
